# Dashboard, Profile, Logout

After logging in as a member, to view the Dashboard, Profile Page, or Logout of the website, return to Home and click on the drop-down ESG Login tab.

The Dashboard option will take you to a screen as shown here:

The left-hand column of the page displays Dashboard, Profile, Collapse menu. The Dashboard page shows recent Guild posts from the News & Events menu item and WordPress news as well. (The Guild's website is based on WordPress and uses a WordPress theme.

The Profile page is where you can change your identifying information *except* your User Id which cannot be changed. From this page, you can change your password and add a Gravatar. See How to Change Your Password and What is a Gravatar? in the Help section.
